Grant Application Guidelines

About the Coldwell Community Foundation:

The Coldwell Community Foundation Inc. is a non-profit charitable organization incorporated in 2004 for the purpose of establishing permanent endowment funds and distributing the income for the benefit of the community. The Foundation is dedicated to enhancing the quality of life through community leadership and granting throughout the Rural Municipality of Coldwell (Lundar and districts).

The Foundation is funded by donors from all walks of life, gifts ranging from a few dollars to thousands of dollars. These gifts are invested in a capital fund with only the income from the investments being used for grants, which assist a wide variety of local initiatives. Donations to the Coldwell Community Foundation will serve the entire community year after year ... forever.

The Coldwell Community Foundation is governed by a Board of Directors comprised of nine volunteer members of the community who serve without remuneration for three-year terms. The Board evaluates each application for funding and distributes grants to those groups or projects which they feel will most benefit the area.
